PAUL WALDORF

*Head Football Coach*

Head of the board of strategy for Hays in this game is Coach Paul Waldorf, who this season begins his fifth year of coaching at the Fort Hays Kansas State College. Last year Waldorf started the season with nine lettermen. This year he has nineteen, more than one veteran for every position. His starting line-up will average nearly 184 pounds.

Waldorf graduated from Baker University, where he played a bang-up game as half-back. In 1930 he received his master's degree from the University of Kansas. Since then he has been attending the University of Wisconsin summers.

Waldorf came to Hays from McKendree College, Lebanon, Ill., where he coached for three years. During two of those three years Waldorf's team stood second in the "Little Nineteen Conference." Before that he coached two years at Wentworth Military Academy, Lexington, Mo.

## WARRIOR STARS

HELM

HIEMSTRA

**Helm**—Before the Tigers will be able to gain much yardage through the line this is the man they will have to move. Helm is noted for his ability as a defensive guard.

**Hiemstra**—Pivot man for the Warriors is Hiemstra, big center. He will probably be the mainstay of the Sterling defense, playing in and out of the line and trying to break up Tiger passes.

—o—

JOHNSON

FOSE

**Johnson**—Playing right guard, Johnson pulls out of the line on offense to run interference for Sterling ball-carriers. He will also be a factor in slowing down the Hays attack.

**Fose**—At left halfback is the strong man of the Sterling offense, Fose. He is very fast and shifty and will keep the Tiger defense on the alert throughout the game.

## PAUL GROSS

---

As head of the Athletic Department and head basketball coach, Paul "Busch" Gross has the job of arranging schedules for all the Fort Hays teams. In addition, he helps coach football. For several years he has turned out successful hardwood teams. Last year his team tied for first place in the Central Conference.

"Busch," himself a former Fort Hays athlete, has been here ten years. Before coming here, he coached at Augusta, where he also produced successful teams.

## BILL BEARLEY

---

"Bill" Bearley is also a Fort Hays graduate. Many Hays fans remember when he played fullback; they remember how his line-plunging and hard blacking won game after game.

Bearley is not only director of physical education at Fort Hays, but assistant football coach, head track coach, and supervisor of intra-mural sports, any one of which is a task in itself. This is his sixth year at Fort Hays State.

Francis Paronto

Waldean Hooper

### FRANCIS PARONTO

By his consistent punting, Paronto has proved a valuable asset to the Fort Hays football team. Weighing 185 pounds, "Bili" is playing his last season of college football. This year he has been shifted from blocking-back to half-back. He sometimes plays safety on defense. Paronto, a Wakeeney boy, earned a letter at K.U. before transferring to Fort Hays.

### WALDEAN HOOPER

Waldean was one of the mainstays on last year's eleven. He plays guard and weighs 195 pounds. Despite his weight, he can pull out of the line fast on offense and run interference. Hooper was out of early season practice this year because of "flu," but he is fully recovered and will see lots of action this year. His home is Smith Center.

Norman Ehrlich

John Renner

#### NORMAN EHRLICH

Playing his last year of college football, "Dutch" has the double duty of co-captain and right tackle. This is his third year to appear in the Tiger line-up as a lineman. His weight is 181 pounds and his home, Monument. He played high school football at Oakley.

#### JOHN RENNER

Playing beside Ehrlich, right guard Renner is the other Tiger co-captain. John is also in his third and last year of college football. John weighs 183 pounds. His home is Oakley and it is interesting to note that he and Ehrlich who were team-mates in high school, are now sharing captain duties in college.

## TIGER TALES

by Bob McKee

Back again, the opponents of the night, Sterling College warriors are the fourth on a schedule of one win, one tie and one loss.

The warriors have played four games, losing one, winning two and tying one. The Warriors, a light team, are not lacking in fight. The Sterling fullback, Sanderson, wearing the 77 jersey, is the Warriors' manstay. The team is built around him, and well it might be. Sanderson weighs 183 pounds. Robinson, number 62, the small but mighty quarterback, might be given some mention for his speed and fight.

Our Tigers in the past games have shown much power on the field, but either breaks or lack of a scoring punch have held them down. Hays has a passing offense that has gained nearly 300 yards in the first three games. Clifton, Paronto and Kennedy all toss the pigskin; Stalcup, Miller and Fedde, ends, are all good receivers. The co-captains, Renner and Ehrlich, have played consistent games in the line.

Waldorf announced a new spread formation that might be used against the Warriors. Paul Kennedy or "Si" Clifton will call signals.

## FORT HAYS CHEERLEADERS

Two girls and a boy were elected by the student body to lead yells this year. Bennie Lou Dunlap from Eads, Colorado, Madge Hill from Arkansas City, and Teddy Tedesco from New York City were chosen. As she received the highest number of votes, Bennie Lou is given the position of head cheer-leader.
